Product description:

A slide height 1,2m of two platforms with seals and a play corner, a climbing net and a climbing wall is meant for children at the age of 1-8 years. To go to the first platform, children use stairs to which banisters in both sides are attached. There is a ship captain`s helm installed on the first platform.

Under the slide platform, there is a thematic playroom where one can choose between a kitchen corner with a bench for girls or a driver`s compartment for boys. A climbing net 1,45 m wide and 2,1 m high which goes on to a climbing wall of 0,9 m, is attached to the slide. Sand or rubber safety tiles are recommended all over the safety area.
