Product description:

Climbing Frame MONKEY is meant for children from the age 4. It includes a variety of different climbing facilities □ climbing net on top and on one side, ladder and hanging bar on the other side and 2 different ropes on the third side. The product is good for improving dexterity and physical activity.

The equipment is fastened to laminated timber posts which are fixed to the ground with metal ground fastenings by concreting.

Recommended surface for the safety area: sand or rubber tiles.
