## **Product description:**

Multi activity complex MARCUS with 2 platforms is suitable for both younger and older children. Lower platform with 1,2m high slide and wooden stairs with handrails is meant for smaller children. Higher platform with 1,55 m high tube-slide and slope with climbing rope and wooden steps is accesable only for children from the age 4.

Under the slide platform, there is a thematic playroom where one can choose between a kitchen corner with a bench or a driver`s compartment.

Sand or rubber safety tiles are recommended all over the safety area.
