Product description:

A slide height 1,2m with two platforms, seals and a play corner is meant for children from the age 1 . To go to the first platform, children use stairs to which banisters in both sides are attached. There is a ship captain`s helm installed on the first platform. Under the slide platform, there is a thematic playroom where one can choose between a kitchen corner with a bench for girls or a driver`s compartment for boys.

The indoors slide does not have a roof and a "cheese wall" will be installed as an additional element. Recommended surface for the safety area: sand or rubber tiles.
