<http://www.tiptiptap.ee/en/products/playgrounds/playhouses-and-shelters/pavilion-hexagonal-6m2-painted-vle002>

Technical information:

Width of structure: 3m

Height of structure: 2.7m

For simultaneous use by several children: 10-20

Product description:

A hexagonal pavilion from dried solid spruce or pinewood.

The diameter of the pavilion in diagonal - is 3m (incl. benches), and the length of a side is 1,5m.

The product is finished with glaze finish wood stain from Remmers whereas the client can choose the colour.

This finishing protects the wood in 6 different ways □ against bluing, mould, rot, insects, UV radiation and moisture. It does not develop cracks and penetrates deep into the wood. Further, it is water-repellent and breathable and allows moisture adjustment. Wide range of available colours. Can be ordered without finishing.
